OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 16 August 1972

1. (Confidential - GLC) Received a call from [redacted] 25X1 office, DDP/NARCOG, asking for the membership of the CIA Subcommittees of the House and Senate Appropriations Committees. Walter Minnick, of the White House, had requested this information in connection with the CCINC meeting this morning. I gave [redacted] office the names of the members of the 25X1 Intelligence Operations Subcommittee of the Senate Appropriations Committee and suggested they advise Minnick that there is no formal CIA Subcommittee of the House Appropriations Committee, that Chairman Mahon regards as classified information the names of the persons on his Committee having detailed knowledge of Agency activities. Therefore, this information could not be given out over the telephone. I said if there was any further questions on this to have Minnick give me a call.

2. (Unclassified - GLC) Hand-carried to the Senate Subcommittee on National Security and International Operations the FBIS transcript of the first half of Sadat's speech. The staff asked if we had the text of Ramsey Clark's statements as carried by Hanoi Radio and I told them I would look into this and be back in touch.

3. (Unclassified - GLC) Delivered to John Ritch, on the staff of 25X1 the Senate Foreign Relations Committee, a document provided by [redacted] on a comparison of the British and Japanese drug control experiences.

4. (Secret - GLC) Provided George Murphy, on the staff of the Joint Committee on Atomic Energy, background information on [redacted] 25X1
[redacted] 25X1

5. (Unclassified - GLC) Talked with Ed Braswell and Jack Ticer, on the staff of the Senate Armed Services Committee. They said they hoped that the conferees will complete action on the Military Procurement Authorization bill before the recess but the conference report will not be submitted until after Congress reconvenes on the 5th of September.

6. (Secret - GLC) Accompanied Mr. John Clarke, DCI/IC/Comptroller, [redacted] OSP, and Colonel Walecka, of 25X1 DOD, to a meeting with Bill Woodruff, on the staff of Senate Appropriations Committee, on a sensitive Agency matter. (See Memorandum for the Record)

7. (Unclassified - GLC) Scott Cohen, Executive Assistant to Senator Charles H. Percy (R., Ill.), called and asked if there was anything in the briefing which our people gave the Senate Foreign Relations Committee this afternoon which Senator Percy should know about. He said the Senator is in Illinois and therefore was unable to attend the briefing. I told him the subject of the briefing.

8. (Internal Use Only - LLM) Robert Blum, Senate Foreign Relations Committee staff, called to find out the status of two requests pending with the Agency on OSS material relating to IndoChina and NIE-5, explaining that we have had the requests for some time and it is important that he starts his work on this material as soon as possible. I explained that [redacted] who 25X1 had been working on the OSS request, was on leave, but that I would check into the status of both matters and be back in touch. [redacted] RID, 25X1 was advised.

9. (Unclassified - LLM) Dr. Thatch, House Internal Security Committee staff, called to ask if we had a log which could be made available to him covering the statements by U.S. citizens over Radio Hanoi during the period 1965 to 1971. In response to my question, he said he was not interested in prisoner of war statements. I told him I would check and be back in touch.

[redacted] FBIS, and [redacted] OGC, have been advised.

10. (Internal Use Only - LLM) Mr. Bill Ashworth, Senate Foreign Relations Committee staff, called concerning the ongoing Senate floor debate and said that it was important that the members of the Committee not be caught by surprise as they were by Senator Jackson on the submarine question. Ashworth then requested that the Committee be supplied with any hard information on Soviet strategic developments which bear on the issue, especially any such information which may have been given to Senator Jackson. I told Mr. Ashworth that Mr. Maury was out of the office but I would relay his request at the earliest opportunity.

11. (Confidential - JMM) Accompanied Mr. Carl Duckett, DDS&T, who briefed Senator Hubert Humphrey (D., Minn.) on the Soviet strategic missile picture. The Senator was most appreciative and expressed his frustration at having been squeezed out of the disarmament picture by the Foreign Relations Committee. He said he was anxious to get back into the disarmament matters now that he is "through with all this other activity" he has been involved in. Mr. Duckett covered the recent developments in the strategic missile situation on an SI/TKH basis. I asked the Senator not to advertise among his colleagues the fact that we had provided the briefing.

12. (Confidential - JMM) Bill Holt, Administrative Assistant to Representative Samuel Stratton (D., N.Y.), called to ask if Mr. Stratton could be briefed on recent developments regarding Soviet strategic missiles. After consulting the Director, Mr. Duckett and I met with Mr. Stratton in his office in the Rayburn Building and Mr. Duckett covered the recent developments in the strategic missile situation on an SI/TKH basis. We requested that Mr. Stratton not reveal to his colleagues that we had briefed him.

13. (Confidential - JMM) Informed Frank Slatinshek, Chief Counsel, House Armed Services Committee, of Representative Stratton's request in advance of the briefing and told Slatinshek we would be happy if he could attend. He said he appreciated the offer, but was otherwise committed. He saw no reason why we shouldn't go ahead with the briefing.

14. (Confidential - JMM) In response to a call from Mr. Bill Ashworth, Senate Foreign Relations Committee staff, I called Carl Marcy, Chief of Staff, to say we would be glad to provide a briefing on Soviet strategic missile development to Committee members, but not to staff level personnel only. After checking with the Chairman and several members, Marcy arranged an informal Committee meeting for 3 o'clock at which Mr. Duckett covered the missile situation on the basis of SI and TKH material. See Memorandum for the Record.

15. (Confidential - JMM) Talked to Ed Braswell, Chief Counsel, Senate Armed Services Committee, and explained our briefings of Senator Humphrey and Representative Stratton and plans for the briefing of the Senate Foreign Relations Committee. He saw no objection and remarked that Senator Stennis might want such a briefing if it could be scheduled prior to the recess.

Braswell said it now appeared that the Laos ceiling would be established at [] and this would exclude certain air support operations. He indicated that this solution to the problem was unsatisfactory to Senator Symington. 25X1

16. (Confidential - JMM) Called Bill Woodruff, Counsel, Senate Appropriations Committee, to say we had a Reserve withdrawal item. Woodruff said he was leaving tomorrow morning until after Labor Day and the matter could be deferred until then.

17. (Confidential - JMM) In the evening David Abshire, Assistant Secretary of State for Congressional Relations, called me at home to say he had heard of our appearance before the Senate Foreign Relations Committee and would appreciate more details. I explained our briefings of Senators Jackson, Hollings, and Humphrey, and Representative Stratton and our appearance before the Foreign Relations Committee. Abshire seemed to think we had come out reasonably well.
